PROFILE

Brenda Oliver is the President of Oliver Leadership Inc. With more than 20 years of experience in business development, relationship management & performance coaching and a successful professional career that has included a variety of senior management positions within financial services and the travel industry - a former Director with American Express - Brenda Oliver is an accomplished speaker, coach & writer offering both motivational and business insight to a variety of groups and venues. With developed expertise in Emotional Intelligence & evaluation, she works with executives and groups to facilitate and offer perspective, structured process & professional development to migrate individuals and work groups to greater self awareness & personal growth - moving careers and businesses to the next level of performance. As Founder and President of *The Country Club - Distinctive Voices, Dynamic Women*, she leads and directs the online Women's Global Mentoring Network for Women's professional growth and leadership development (NETWORK MENTORING™).
